

Manchester Historic Association Heritage Fund 2011

Did you know?

The Manchester Historic Association provides educational programs in the Millyard Museum for schools throughout New Hampshire, both public and private, and our Research Center is a resource for colleges and universities in the region. The Association also serves home schoolers, scout troops, and English language programs for new immigrants (including adults). The Association provides discounted admission fees for local social service agencies who bring groups to the Millyard Museum. These visits provide enriching experiences that add to the quality of life of local residents.

Your Heritage Fund gift supports these programs, and all the efforts of the Manchester Historic Association to collect, preserve and share Manchester's history. Thank you!
