Become involved in the work of the Manchester Historic Association and help to collect, preserve and share Manchester’s history. Here are ways you can help:

• Come to our programs and events – you’ll have fun – and bring your family and friends. The Association offers a variety of programs including lectures, concerts, walking tours, and special social events. There’s something to interest everyone.

• Make a donation – take advantage of tax benefits by making a gift of cash or securities - gifts may be made in honor or in memory of someone you love. You may be able to double your gift through your employer’s matching gift program.

• Become a member – memberships are available starting at $25 a year. You are eligible for discounts on all public programs and Museum Shop purchases, and will receive invitations to our special events. If you are already a member, thank you!

• Membership gifts – give memberships as gifts for birthdays and other special occasions. This is a terrific idea for someone who’s new in town.

• Planned giving – Consider planning a legacy gift to the Manchester Historic Association in your will. Legacy gifts are extremely important in keeping the Association on firm footing for the future. Also, you may consider other types of planned gifts – charitable trusts, IRAs, life insurance and annuities – there are many possibilities to benefit you, your estate and our organization.

Please call (603) 622-7531 to discuss your interests, to share your ideas, or to ask questions.

Donations to the Manchester Historic Association are tax-deductible. The Association accepts American Express, MasterCard, Visa and Discover. Checks should be made payable to the Manchester Historic Association, or donate online at www.manchesterhistoric.org.

“The bionic technology is impressive, but it was the personal connection that really made a difference.”

Sgt. Peter Connell, Army—Retired Above knee amputee

Bionic Technology—the future is now and Next Step is at the forefront of the industry. We are a team of professionals who understand that to design the right fit, you must first understand the person. We call that understanding e-motion.

It is not a term you normally relate to the art of Bionics & Prosthetics. Yet, it is the source of how technology for Peter, and other Next Step patients, is melded into everything we do. It is personal at the highest level. It is expertise that is shared—one patient at a time, every time.

This understanding is the first step to a better life...just ask Peter.

PEARSON’S PLACE

The building located at 922 Elm Street was built in 1920 after the previous structure burned down. Over the years it has been the home of Pearson’s Jewelry Store since 1920 and Kennedy’s Clothing store and more recently Ted Herbert’s Music. Elm Grove has completed renovations of 30 Luxury smart apartments and have made every effort to preserve as much of the original building as possible. The project was named after Pearson’s Jewelry store in honor of its long history at this location.

Here are ways you can help:

Come to our programs and events – you’ll have fun – and bring your family and friends. The Association offers a variety of programs including lectures, concerts, walking tours, and special social events.

There’s something to interest everyone

• **Make a donation** – take advantage of tax benefits by making a gift of cash or securities - gifts may be made in honor or in memory of someone you love. You may be able to double your gift through your employer’s matching gift program.

• **Become a member** – memberships are available starting at $25 a year. You are eligible for discounts on all public programs and Museum Shop purchases, and will receive invitations to our special events. If you are already a member, thank you!

• **Membership gifts** – give memberships as gifts for birthdays and other special occasions. This is a terrific idea for someone who’s new in town.

• **Planned giving** – Consider planning a legacy gift to the Manchester Historic Association in your will. Legacy gifts are extremely important in keeping the Association on firm footing for the future. Also, you may consider other types of planned gifts – charitable trusts, IRAs, life insurance and annuities – there are many possibilities to benefit you, your estate and our organization.

Please call (603) 622-7531 to discuss your interests, to share your ideas, or to ask questions.
